

# Progress Report

## for 2018-2019

During this period, together with the Administration of the St. Petersburg Trade Port and the passenger port “Marine Facade”, as well as the St. Petersburg Public Organization “Marine Club”, the Trade Union carried out work on providing cultural and entertainment services for more than thirteen and a half thousand sailors, crew members ships calling at the ports of the city.

In 2018, 6485 sailors visited our Trade Union Center for Sailors, and in 2019 the number of visitors increased to 7394 people.

The employees of the center and volunteers of the Public Organization created and conducted cultural and leisure events, entertaining evenings for visitors:

- Evenings of Russian culture

(This event allowed many guests of the city to get acquainted with our customs and traditions)

- National world music in modern processing

(The evening program includes showing the diversity of world national music and how it affects the rapprochement of peoples)

- Two-week festival of national cultures

(With the help of consular workers, the guests of our city were introduced to the national heritage and cultural traditions of countries such as India, the Philippines and Indonesia)

For the organization of entertaining evenings, theater and creative groups were involved and show programs were held:

1. Russian New Year
2. Pirates of the Caribbean
3. Club birthday
4. Burlesque night

Competitions held with prize draws

Over 10 excursions were organized with visits to the sights of the city.

- The Peterhof Palace
- Winter Palace
- The State Russian Museum

A concept has been developed for the near term.  
Work has been established with the profile bodies of the administration of St. Petersburg and the Leningrad Region:

1. Transport Committee
2. External Relations Committee
3. Association of Marine Agents

A game room was organized in the seamen's center; for this, the following were purchased and leased:

1. tennis table
2. billiard table
3. air hockey
4. karaoke
5. gaming machines
